Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Cypress Rosehill Stormwater Detention Basin in fiscal year 2025. The entity to receive funding for this project is Harris County Flood Control District, located at 9900 Northwest Freeway, Houston, TX 77092.

The funding would be used for the expansion of the Cypress Rosehill stormwater detention basin within the Willow Creek watershed. The project is an appropriate use of taxpayer funds because the project would provide approximately 184 acre-feet of stormwater detention volume which would lower peak water surface elevation, during the next catastrophic flooding event in Houston.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read 'Wesley P. Hunt', is written over the 'Sincerely,' and extends across the middle of the page.
