Dear Chairman Cole and Ranking Member DeLauro:

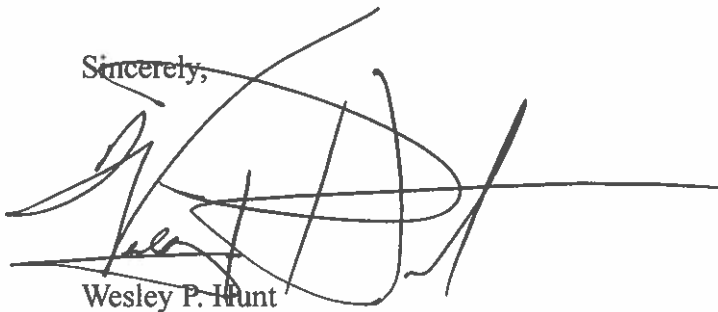

I am requesting funding for the Westside Infrastructure Project in fiscal year 2025. The entity to receive funding for this project is the City of Hedwig Village, located at 955 Piney Point Rd, Hedwig Village, TX 77024.

The funding would be used for the design and construction of roadway, sidewalk, and drainage improvements to upgrade antiquated infrastructure and utilities in the city. The project is an appropriate use of taxpayer funds because the existing aging roadway and drainage infrastructure is undersized and unable to meet the demands of the increasingly growing region. This was especially apparent after the detrimental effects and impact of Hurricane Harvey across the city of Houston.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to be 'Wesley P. Hunt', is written over the word 'Sincerely,' and extends across the line.
