Dear Chairman Cole and Ranking Member DeLauro:

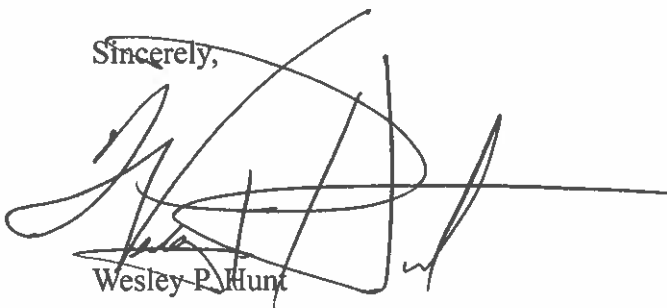

I am requesting funding for the Memorial Drive Phase 2 project in fiscal year 2025. The entity to receive funding for this project is Memorial City Redevelopment Authority, located at 9600 Long Point Rd. suite 250, Houston, Texas 77055.

The funding would be used for the reconstruction of the busiest roadway in the city to include all paving and pedestrian facilities, drainage infrastructure, and surface public utilities. The project is an appropriate use of taxpayer funds because enhance the flow of traffic, increase pedestrian safety, and reduce flooding risks, especially after Hurricane Harvey decimated Houston.

The project has a Federal nexus because the funding provided is for purposes authorized by section 5302(15) and (22) of title 49, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read 'Wesley P. Hunt', is written over the printed name.
