Dear Chairman Cole and Ranking Member DeLauro:

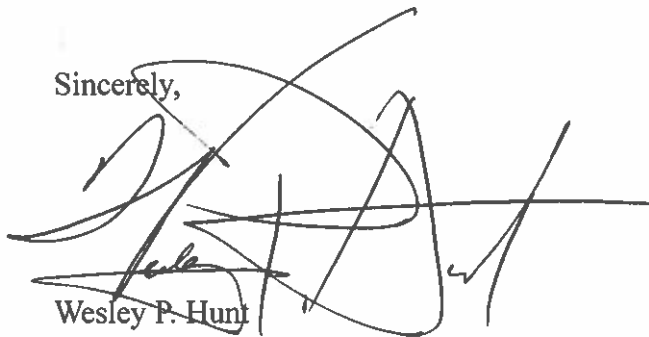

I am requesting funding for the Interstate 10 Gateway Lighting project in fiscal year 2025. The entity to receive funding for this project is Harris County Improvement District #4, located at 777 North Eldridge Parkway suite 270, Houston, TX 77079.

The funding would be used for installing lighting at three major intersections and access points along Interstate 10. The project is an appropriate use of taxpayer funds because it will improve the safety of pedestrians and travelers entering and exiting the Energy Corridor District along Interstate 10.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to be 'Wesley P. Hunt', is written over the printed name.
