Dear Chairman Harris and Ranking Member Bishop:

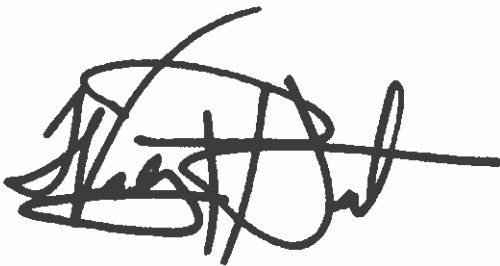

I am requesting funding for the Tomball Fire Rescue 100ft Aerial Ladder project in fiscal year 2025. The entity to receive funding for this project is the City of Tomball, Texas, located at 401 Market St., Tomball, TX 77375.

The funding would be used for the purchase of a new 100ft fire rescue ladder for the City of Tomball and the surrounding communities of Emergency Services District 15. The project is an appropriate use of taxpayer funds because it will replace the current fire rescue ladder that is at the end of its use expectancy, improving community safety for future catastrophic fires.

This project has a Federal nexus because it is for the purposes authorized in 7 U.S. Code section 2250.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Wesley P. Hunt', with a long horizontal line extending to the right.
