Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Cypress Park Regional Stormwater Detention Basin in fiscal year 2026. The entity to receive funding for this project is Harris County Flood Control District, located at 9900 Northwest Freeway, Houston, Texas 77092.

The funding would be used for flood risk reduction upstream and downstream from the proposed detention basin, which would provide flood damage reduction benefits to the Cypress Creek watershed. The project is an appropriate use of taxpayer funds because it would improve flood resiliency and provide stormwater management in the watershed, to help prevent and mitigate the catastrophic flooding event in Houston.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
