Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hufsmith-Kohrville Road Widening and Bridge Reconstruction project in Fiscal Year 2026. The entity to receive funding for this project is Harris County Precinct 3, located at 1001 Preston St. Houston, TX 77002. The funding would be used to widen the roadway to a 4-lane concrete boulevard with a storm sewer and a raised median. The project is an appropriate use of taxpayer funds because it will remove a dangerous narrow curve in the road, improve flood control, and improve the flow of traffic.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
