

Congress of the United States
House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Memorial Drive Street and Drainage Reconstruction project in Fiscal Year 2026. The entity to receive funding for this project is Harris County Precinct 3, located at 1001 Preston St. Houston, TX 77002. The funding would be used for the comprehensive construction plan to fully address the street's deterioration. The project is an appropriate use of taxpayer funds because Memorial Dr. is one of the busiest streets in the area and there has not been a comprehensive construction plan to fully address the full scope of problems the city has faced over the years.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
