Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding The West Side Infrastructure Project in Fiscal Year 2026. The entity to receive funding for this project is The City of Hedwig Village, located at 955 Piney Point Rd., Hedwig Village, 77024. The funding would be used for the design and construction of roadway, sidewalk, and drainage improvements to upgrade antiquated infrastructure and utilities in the southwestern portion of the City. The project is an appropriate use of taxpayer funds because the roadway, sidewalk, and drainage infrastructure in the project area do not meet current standards, posing prominent safety concerns.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt  
Member of Congress
