The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Cast Iron Waterline Pipes Replacement project in Fiscal Year 2027. The entity to receive funding for this project is City of Bunker Hill Village, Texas, located at 11981 Memorial Dr., Bunker Hill Village, TX 77024. The funding would be used for the replacement of cast iron water lines to deliver potable drinking water to residents, protect public health, and reduce future maintenance costs. The project is an appropriate use of taxpayer funds because these waterlines have exceeded their service life, and continued deterioration has resulted in recurring water main breaks, service disruptions, and unnecessary water loss.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
