Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Cutten Road Project in Fiscal Year 2027. The entity to receive funding for this project is Harris County Precinct 3 located at 1414 Wirt Rd., Houston, TX 77055. The funding would be used for the construction of a new four-lane concrete boulevard with storm sewer and a detention basin. The project is an appropriate use of taxpayer funds because the project will also construct a bridge structure across a flood control channel and add a sidewalk to support safe pedestrian access to Klein Cain High School for students. This project will greatly increase mobility in the area by taking traffic from local collector roads and creating a continuous road connection.

The project has a federal nexus because the funding provided is for purposes described in 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
