Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Cypresswood and Jones Road Stormwater Detention Basin project in Fiscal Year 2027. The entity to receive funding for this project is Harris County Flood Control District located at 9900 Northwest Freeway, Houston, TX 77092. The funding would be used for the final design of the first phase of the stormwater detention basin. The project is an appropriate use of taxpayer funds because the area is prone to severe flash flooding, and in its ultimate build-out condition, the basin would provide more than 1,000 acre-feet of storage.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
