Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Harris County Regional Law Enforcement Data Sharing Platform in Fiscal Year 2027. The entity to receive funding for this project is the Harris County Sheriff's Office, located at 1200 Baker St., Houston, TX 77002. The funding would be used for a central data repository for all 63 local law enforcement agencies in Harris County to adopt the same Computer Aided Dispatch – Records Management System (CAD/RMS) for usage. The project is an appropriate use of taxpayer funds because it will improve public safety, enabling law enforcement agencies to share crime information with one another, streamline data searches, and respond in real time to suppress crime and apprehend criminals.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
