Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Jersey Village Recreational Center Project in Fiscal Year 2027. The entity to receive funding for this project is The City of Jersey Village, Texas, located at 16327 Lakeview Dr., Jersey Village, TX 77040. The funding would be used to rehabilitate approximately 16,000 square feet of an old City-owned building to address major health, safety, and building system deficiencies that currently prevent the building from serving the public. The project is an appropriate use of taxpayer funds because it would transform an existing building already owned by the City into a multipurpose public facility that serves youth, families, seniors, and community organizations.

The project has a federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
