Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Memorial Drive Revitalization Phase 2 in Fiscal Year 2027. The entity to receive funding for this project is The City of Bunker Hill Village, Texas located at 11977 Memorial Dr., Houston, TX 77024. The funding would be used for the revitalization of Memorial Dr, improving flood mitigation infrastructure, improving traffic congestion in an emergency services corridor, and improving road signage visibility. The project is an appropriate use of taxpayer funds because this road is a vital path for emergency services providers and law enforcement to transport patrons to the hospital/urgent care centers, as well as for local residents and daily commuters accessing the nearby schools, businesses, religious institutions, and the I-10 freeway.

The project has a federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt  
Member of Congress
