The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for North Cherry Street Road and Drainage Improvements in Fiscal Year 2027. The entity to receive funding for this project is The City of Tomball, Texas, located at 401 Market St., Tomball, TX 77375. The funding would be used for the installation of a storm sewer beginning at FM 2920, extending north to Boggs Gulley. The project is an appropriate use of taxpayer funds because it eliminates hazardous roadside ditches and provides an opportunity to install sidewalks connecting neighborhoods to schools and parks, enhancing pedestrian safety, and directly reducing repetitive flood loss in both residential and commercial areas.

The project has a federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
