Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the M118 Channel Extension – Tomball Business Park & Medical Complex Drive in Fiscal Year 2027. The entity to receive funding for this project is The City of Tomball, Texas, located at 401 Market St., Tomball, TX 77375. The funding would be used for investing in drainage infrastructure before flood damage occurs, which is substantially more cost-effective than post-disaster recovery. Expanding the M118 channel will increase stormwater conveyance capacity, reducing the likelihood of flooding, roadway failures, and public infrastructure damage. The project is an appropriate use of taxpayer funds because it is essential to preserving roadway integrity, maintaining emergency response access, and preventing costly maintenance and repair needs.

The project has a federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
