The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Westside Infrastructure Project – Phase 3 in Fiscal Year 2027. The entity to receive funding for this project is The City of Hedwig Village, Texas, located at 955 Piney Point Rd., Hedwig Village, TX 77024. The funding would be used to reconstruct existing roadways and drainage structures along 12 local streets in the southwest portion of the City of Hedwig Village. The project is an appropriate use of taxpayer funds because this project will modernize the infrastructure to current design standards, enhancing system resilience and ensuring it meets the needs of both current and future residents.

The project has a federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
